

Bioflow Customer Loyalty Scheme

Order Form

Existing Bioflow customers may take advantage of the customer loyalty scheme to replace, or upgrade any Bioflow product. Under this scheme if you wish to upgrade or exchange your Bioflow for any brand new product in the Bioflow range we will allow the trade-in value of the old Bioflow, as part exchange, towards the cost of a new one.
 Note: To exchange a Bioflow for a less expensive product the discount is the trade-in value of the least expensive product.

Please exchange/upgrade the enclosed Bioflow:
