

Bioflow Customer Loyalty Scheme

Order Form

Existing Bioflow customers may take advantage of the customer loyalty scheme to replace, or upgrade any Bioflow product. Under this scheme if you wish to upgrade or exchange your Bioflow for any brand new product in the Bioflow range we will allow up to 50% of the value of the old Bioflow, as part exchange, towards the cost of a new one.

Note: To exchange a Bioflow for a less expensive product the discount is 50% of the price of the new replacement. i.e. 50% of the cost of the least expensive product.

Please exchange/upgrade the enclosed Bioflow:

Please note that the trade-in discount is offered against the full brochure price (MRRP) of a new replacement or upgrade and cannot be combined with online offers.
